

American Government Supply Capability Statement

How can we help you meet your hospitality needs?

American Government Supply is your single source for over 70,000 commercial products across 1,600 national brands in operating, office, facility, and furniture categories. Our Registry brand of more than 4,600 products offers additional savings to further optimize your budget. In addition, we provide turnkey product installation, disposal, carpentry, and design to help you operate efficiently. Our dedicated associates relentlessly focus on positive outcomes for our customers. Trained extensively in public sector procurement regulations, our team can recommend the appropriate products to ensure your compliance.
